Greetings Friends & Family,

Over the past few years, Hilltop United Methodist Church's leadership has been planning for our future through research and member feedback. We are now taking the next step in this journey by announcing Hilltop's **Honor the Past - Hope for the Future** Capital Campaign to fund various building projects! The theme was selected to communicate how we are celebrating our history, while ensuring Hilltop continues to reach future generations for Christ.

Accompanying this letter are questions and answers regarding the building projects and capital campaign. More information will be coming throughout the next couple of months along with additional opportunities for members to ask questions before financial commitment requests are made.

Please pray that the Lord will continue to guide and bless Hilltop's **Honor the Past – Hope for the Future** Capital Campaign!

Grace & Peace,

Rev. Matthew P. Sipe
